

ONERA

THE FRENCH AEROSPACE LAB

return on innovation

INFORMATIONS to SPEAKERS

The HFFS proceedings will be published as a special issue of Computers & Fluids, published by Elsevier.

- Each paper in the proceedings will undergo a thorough review process before acceptance.
- All final papers will have to be submitted *electronically* to Computers & Fluids.
- The deadline for submission of papers is January 31, 2011.
- Each submitted paper is limited to a maximum of 10 pages.
